

**Zadanie.** Na podstawie fotografii odgadnij nazwy ptaków i wpisz je do krzyżówki. Ostatnia litera nazwy pierwszego ptaka jest jednocześnie pierwszą literą nazwy drugiego; ostatnia litera nazwy drugiego ptaka jest jednocześnie nazwą trzeciego, itd. Żółtym kolorem zaznaczono początek wpisywania nazwy pierwszego ptaka. Po rozwiązaniu krzyżówki, z liter kratak ponomerowanych od 1 do 9 powstanie hasło, nazwa kolejnego ptaka.
